QUEEN WEST

The intersection of Spadina and Queen is home not only to SQ², but also to Toronto's Fashion District. As one of the trendiest shopping streets in the city, it attracts fashion-hungry shoppers who love to wander along Queen Street and browse one trendy boutique after another.

DISCOVER AREA ATTRACTIONS

SQ² is surrounded by a host of year-round attractions. From the iconic CN Tower to numerous works of public art. From a glittering parade of theatre productions to the non-stop action of professional sports. From the scenic beauty of the waterfront to the inspiration of major museums and art galleries.

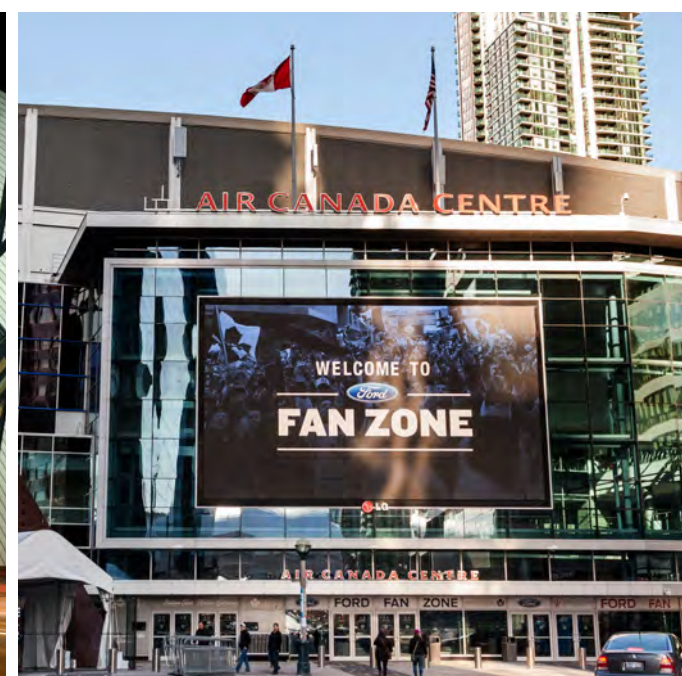

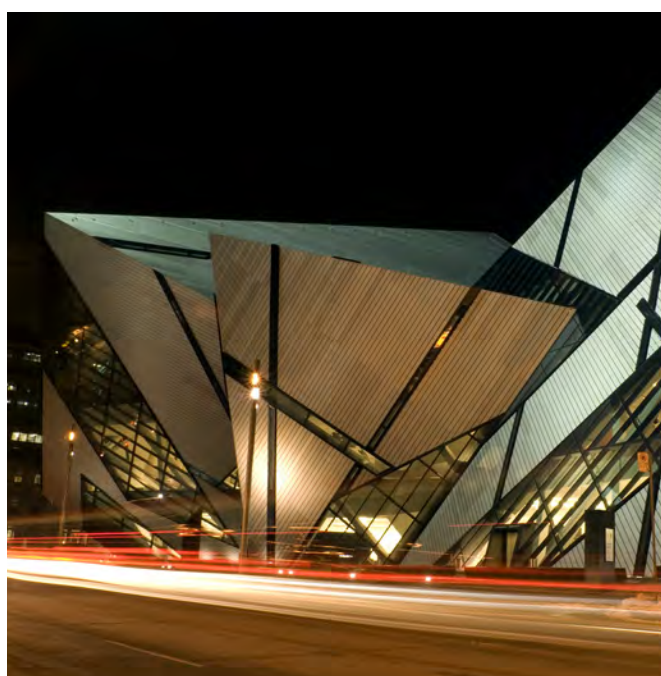

Prices and specifications are subject to change without notice. Illustrations are artist's concept only. Building and view not to scale.

FINANCIAL DISTRICT DISCOVER

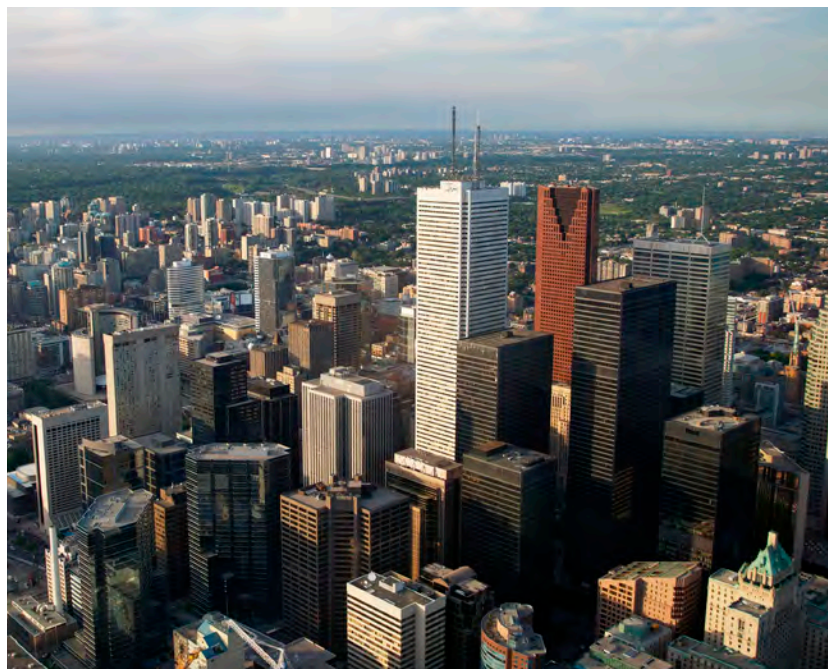

A mere one kilometre from SQ² is the bustling business core of the city – the Financial District. Home to the TSX, Canada's most prominent stock exchange, and a host of Bay Street movers and shakers. That's what's above ground. Under the surface is a whole other thriving city along The PATH.

Employment opportunities in the area abound with numerous banks, corporate headquarters, law firms, stockbrokers, trade offices, and marketing firms. The PATH is a 29-km underground walkway linking up close to 1,200 retail shops, 50+ office towers, six major hotels, five subway stations and Union Station. The Union Pearson Express train will connect the downtown business core with easy access to all out-of-town destinations.

Right near SO² is OCAD U, Canada's university of imagination, acclaimed for the quality of its visual arts and design programs. The downtown U of T campus is intrinsically linked with the city's renowned cultural offerings. Ryerson University is a distinctly urban university with a focus on innovation and entrepreneurship.

SUSTAINABLE LIVING DISCOVER

SO² is green from its roots up because it's being built by Tridel, the largest builder of sustainable Toronto condominiums and communities. Tridel has proudly won BILD's Green Builder Award six times since 2007. Tridel's commitment to green building practices is evident in our sustainable building designs, adherence to green construction techniques, and dedication to corporate stewardship that focuses on the elements of conservation, sustainability, and healthier living.

GOLDEN OPPORTUNITY

As the second phase of the eco-friendly revitalization of Alexandra Park, SQ² will be an energy efficient and environmentally friendly Tridel condominium. LEED® is the most recognized certification system for high performance “green” buildings in North America. Tridel is targeting LEED® Gold certification for the design and construction of SQ².
