

COVID-19 SAFETY PROCEDURES AT OUR DESIGN STUDIO - THE LOBBY

We're Working Together to Serve You Better

At our Design Studio at The Lobby, we remain committed to delivering you the quality, service, and care that you have come to expect from Tridel. Before visiting The Lobby, we ask that you please follow the instructions below and screen yourself to ensure the health, safety, and wellness of you and our employees.

Your safety is our top priority.

For your safety and ours, we are recommending that all visitors and employees continue to wear masks for the duration of your design appointment, although they are not required.

Before your visit, please take the following self-assessment questionnaire:

1. (A) Do you or anyone in your household have one (1) or more of these new or worsening symptoms today or in the last 5 to 10 days?
 - Fever > 37.8° and/or chills
 - Cough
 - Difficulty breathing
 - Decrease or loss in taste/smell

(B) Do you or anyone in your household have two (2) or more of these new or worsening symptoms today or in the last 5 to 10 days?

 - Sore throat
 - Headache
 - Fatigue
 - Runny nose/nasal congestion
 - Muscle aches/joint pains
 - Nausea, vomiting, or other gastrointestinal concerns
2. Have you been in close contact with a household member that has tested positive for COVID-19?
3. Have you been in close contact with someone outside of your household that has tested positive for COVID-19?

If you have answered **YES** to any of the above questions, please **DO NOT** visit the Design Studio at The Lobby in person and we recommend following further guidance from health and government officials. A Design Consultant will work with you to discuss alternatives to completing your appointment, which may include a virtual consultation or rescheduling your appointment.

If you have any questions or to schedule a virtual appointment, please contact us at 416-649-2520 or thelobby@tridel.com.
